

14. A composition of matter resulting from reacting together vinyl acetate and a saturated aliphatic aldehyde.

15. A composition of matter resulting from reacting together vinyl acetate and acetaldehyde.

16. A composition of matter resulting from reacting together a body containing an ethylene linkage and a saturated aliphatic aldehyde in presence of oxygen.

17. A composition of matter resulting from reacting together a body containing an

ethylene linkage and a saturated aliphatic aldehyde with heating and under pressure in presence of oxygen.

18. A composition of matter resulting from reacting together 100 parts of a body containing ethylene linkage and one-tenth of one part to upwards of 100 parts of a saturated aliphatic aldehyde.

In witness whereof, we have hereunto set our hands.

HOWARD W. MATHESON.
FREDERICK W. SKIRROW.
